GROWING FAITH

HELLO PRAYER ADVENTURERS!

Thy Kingdom Come gives us an exciting opportunity to join with others across the world in prayer and to ask God to be at work in the lives of people who don't yet know Him.

Excitingly this year, there are brand new digital activities designed to engage children using interactive and immersive technology that is easily accessed through a smartphone. These activities will use this generation's love of digital gaming by using Augmented Reality as a tool to help them to grow in their faith in Jesus.

We hope you enjoy using the daily reflections, the activities on the map and the digital activities as you explore God's heart for others. Join all those praying during 21st May - 31st May 2020.

Follow this exciting journey of prayer via our social media platforms. Why not share your story and journey of prayer with others across the world by using our hashtag #thykingdomcome
