

INSTRUCTIONS

Simple Noah's Ark

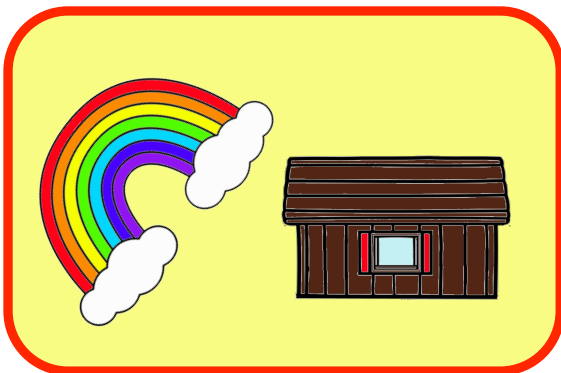

You will need: uncoated paper plate/(draw round a plate), brown paint, paintbrush, glue stick, scissors, templates

Paint the paper plate/card circle brown. Let it dry completely. Fold it in half when it's dry.

Print the animal templates and cut and colour the animals in or draw your own to cut out.

Print the rainbow and top half of the ark templates and colour and cut them out or draw your own to cut out.

Stick the top of the ark to the back of the folded plate. Stick the rainbow and animals to the ark. Nudge the ark to make it rock!
