

INSTRUCTIONS

Egg Box Tropical Fish

You will need: egg box, scissors, glue, tissue paper, paint, paint brush (pompoms, pipe cleaner).

Cut 1 segment of an egg box. Paint the outside your choice of colour for your fish.

Cut some tissue paper and twist the ends. Stick the twisted ends inside the egg box segment.

Stick white and small black pompoms pompoms to be eyes or scrunch tissue paper.

Use a small piece of pipe cleaner to make a mouth or use twisted tissue paper.
