

# INSTRUCTIONS

## Rainbow Streamer

**You will need:** toilet roll tube, tissue paper, string/yarn, hole punch, blue paint, paint brush, glue, scissors, pens/pencils.

Paint the tube blue. Let it dry completely. Make 2 hole punches opposite each at one end.

Thread yarn/string through the holes.

Tie the ends to hang the streamer later.

Cut out a cloud shape or use the template.

# INSTRUCTIONS

## Rainbow Streamer

Draw a face on the cloud or colour the template.

Stick the cloud to the tube with the string handle at the top.

Cut some strips of different coloured tissue paper or colour the strips on the template in rainbow colours and stick inside the tube so that they hang out.

Hang your rainbow streamer!
