

# INSTRUCTIONS

## Jonah and the Whale Game

**You will need:** 2 paper plates, blue tissue paper, templates, pens/pencils, scissors, PVA glue & spreader, stapler, googly eyes/permanent marker.

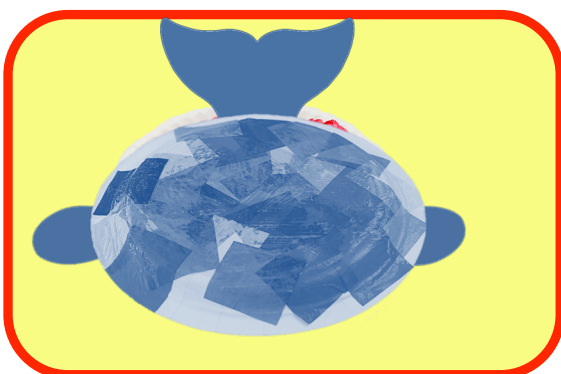

Cover the *back* of 2 paper plates with blue tissue paper

Paint the front of the paper plates red or pink to be the mouth of the whale.

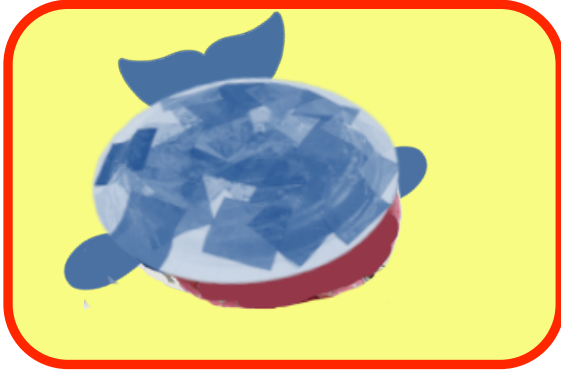

Colour the whale tail and fins templates in blue and stick to the inside of one plate.

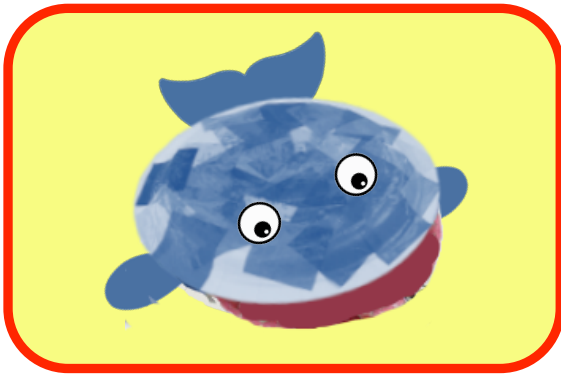

And then place the other plate on top and staple  $\frac{3}{4}$  of the way round, but leave an opening.

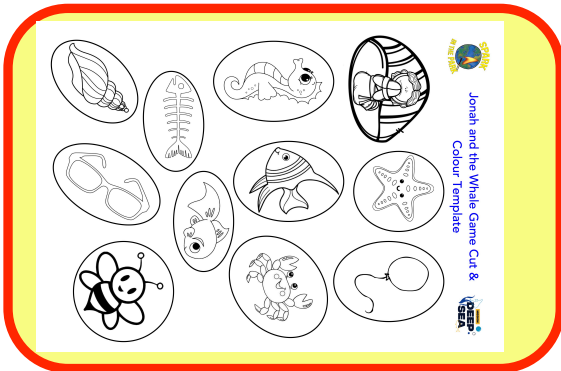

## Jonah and the Whale Game

Scrunch some scrap paper and place it inside the whale towards the back.

Stick googly eyes to the whale or draw in permanent marker.

Colour the rest of the templates in any colours. And place inside the whale.

The whale has swallowed many things including Jonah. Reach into the whale's mouth and pull out a piece of paper with a picture of something the whale has swallowed. What has he eaten? Whoever pulls out the picture of Jonah wins!
