

INSTRUCTIONS

CD Fish Photo Frame

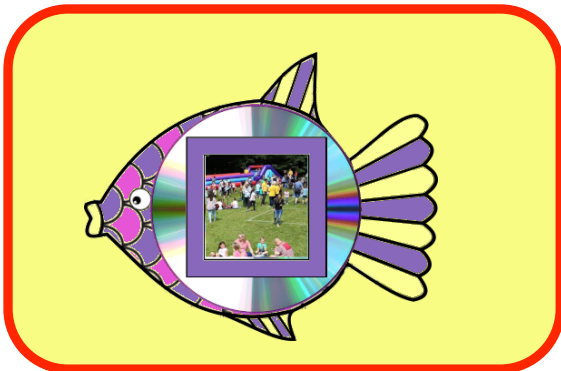

You will need: CD, paper, card/cereal box, pens/pencils, template, scissors, glue, sticky tape.

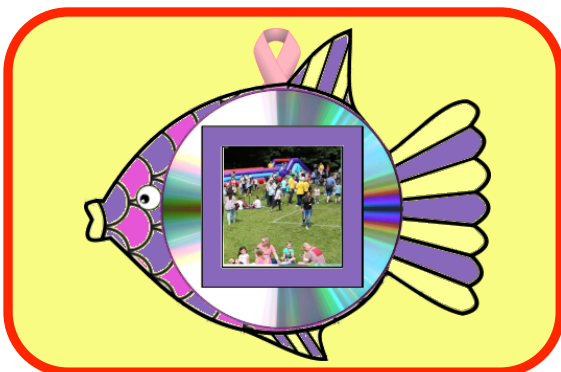

Colour the templates, carefully cut them out and stick the fish to card to thicken it and again carefully cut it out.

Stick the CD to the fish shiny side up.

Stick the square photo of your choice to the CD and stick the square frame on top.

Loop the strip of paper (or use ribbon) and stick it to the back of the fish with tape. Hang your photo frame.
