

INSTRUCTIONS

Egg Box Jellyfish

You will need: egg box, scissors, glue, yarn, paint, paint brush, pens, (googly eyes).

Cut 1 segment and 1 taller part of an egg box. Paint the outside your choice of colour for your jellyfish.

Stick the egg box segment on top of the taller segment.

Stick some yarn to the inside of the taller segment and unravel the yarn to create tentacles.

Stick on googly eyes and/or draw details for your jellyfish.
