## Salt Dough Fish Handprint

**You will need:** measuring cup, salt, plain flour, water, mixing bowl, rolling pin, greaseproof paper, paint and paint brush.

Add one cup of salt and 1 cup of plain flour to a bowl.

Add half a cup of water.

Mix together with your hands to make dough.

Use greaseproof paper to prevent the dough sticking to the rolling pin and roll out the dough. Don't make it too thin.
