## Octopus Mobile

You will need: 3 Sheets of card/cereal boxes, templates, paint, paintbrushes, thread/string, sticky tape, pens/pencils, scissors, glue.

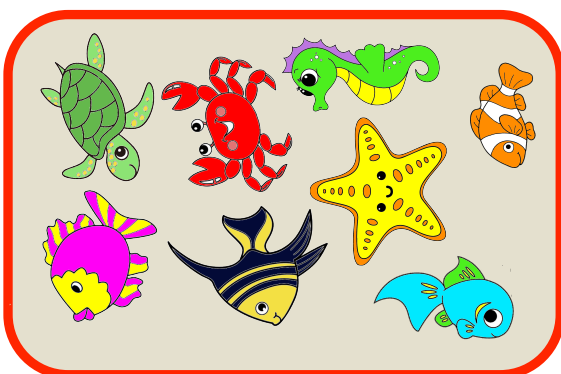

Colour and carefully cut out the 2 octopus templates.

Stick the octopus templates to one sheet of cardboard each and cut them out again.

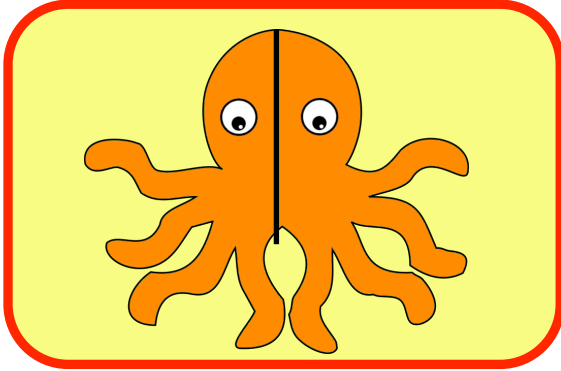

Colour and carefully cut out the sea creature templates.

Stick them to the third piece of card and cut out again.
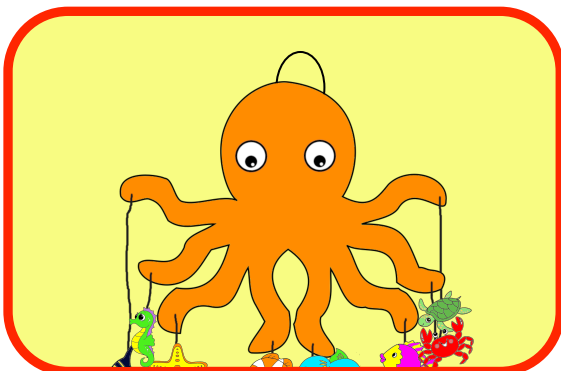

INSTRUCTIONS
Octopus Mobile

Slide one octopus shape into the other octopus shape.

Cut 8 different lengths of string/thread. Tape the threads to each of the octopus tentacles.

Then tape the other ends of the thread to the sea creatures.

Hang a loop of string/thread to the octopus' head and it's ready to hang!
